## What is South Coast Family Harbor?

South Coast Family Harbor is a new resource in Coos County. Our mission is: To support families in building on their strengths and developing the skills needed to remain, or move towards having, stable and attached families by developing a nurturing web of supports that result in safer children, healthier families, and stronger communities.

## What will you find at South Coast Family Harbor?

- Respect and flexibility in meeting your families' immediate needs, and long term goals
- Therapeutic early childhood classrooms for your children ages 2 – 3
- Interwoven services and partnerships between families, staff and other services provided through nurturing home visiting and on site participation

## What needs may families have that enroll in South Coast Family Harbor?

Families may have one, or more, of the following needs: to learn more about child development and parenting education, special education services for their child/ren, therapeutic support for their child/ren, positive goal setting and support in reaching of those goals, addiction recovery, everyday life skills, and basic supports for the many stresses that may affect families in our community of high poverty and low economic opportunities.
